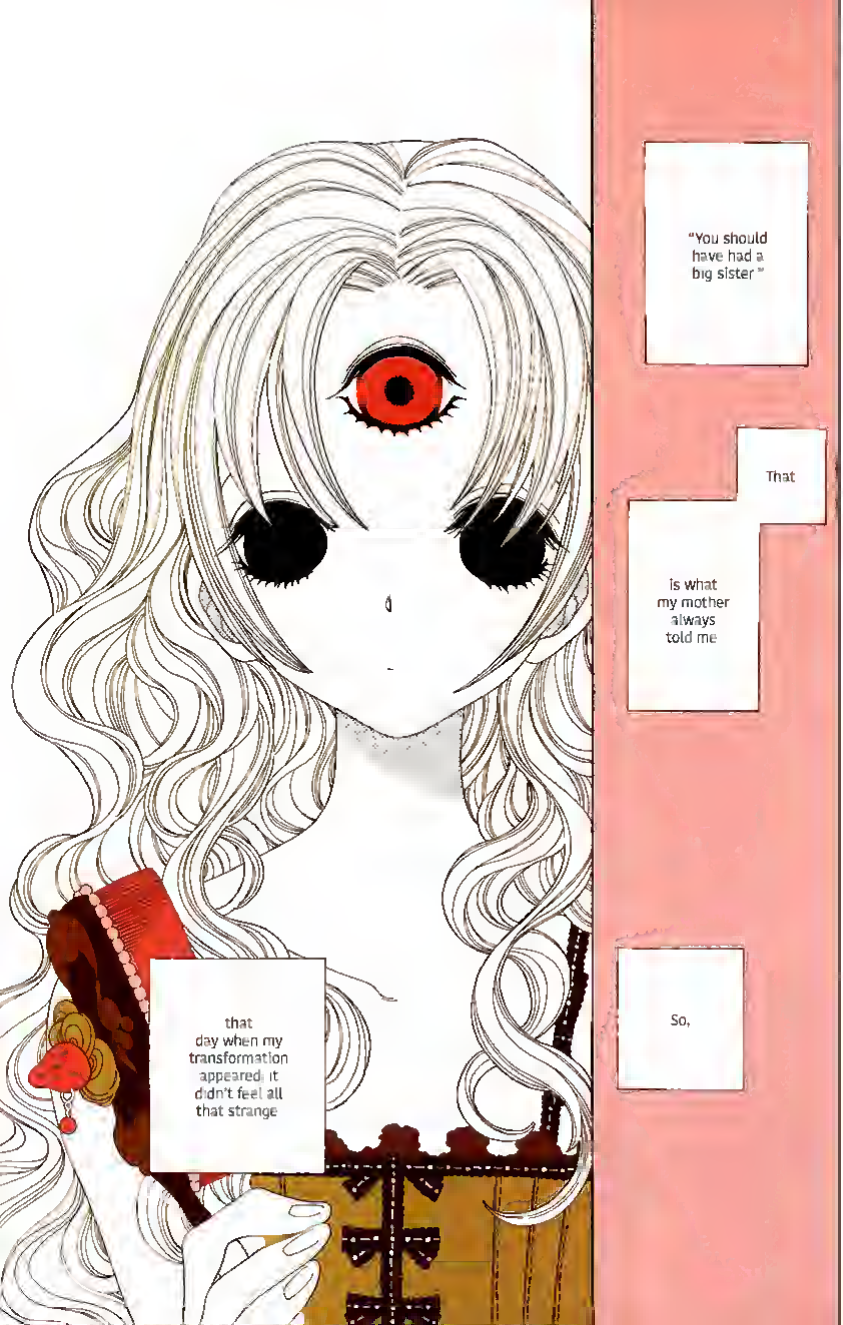
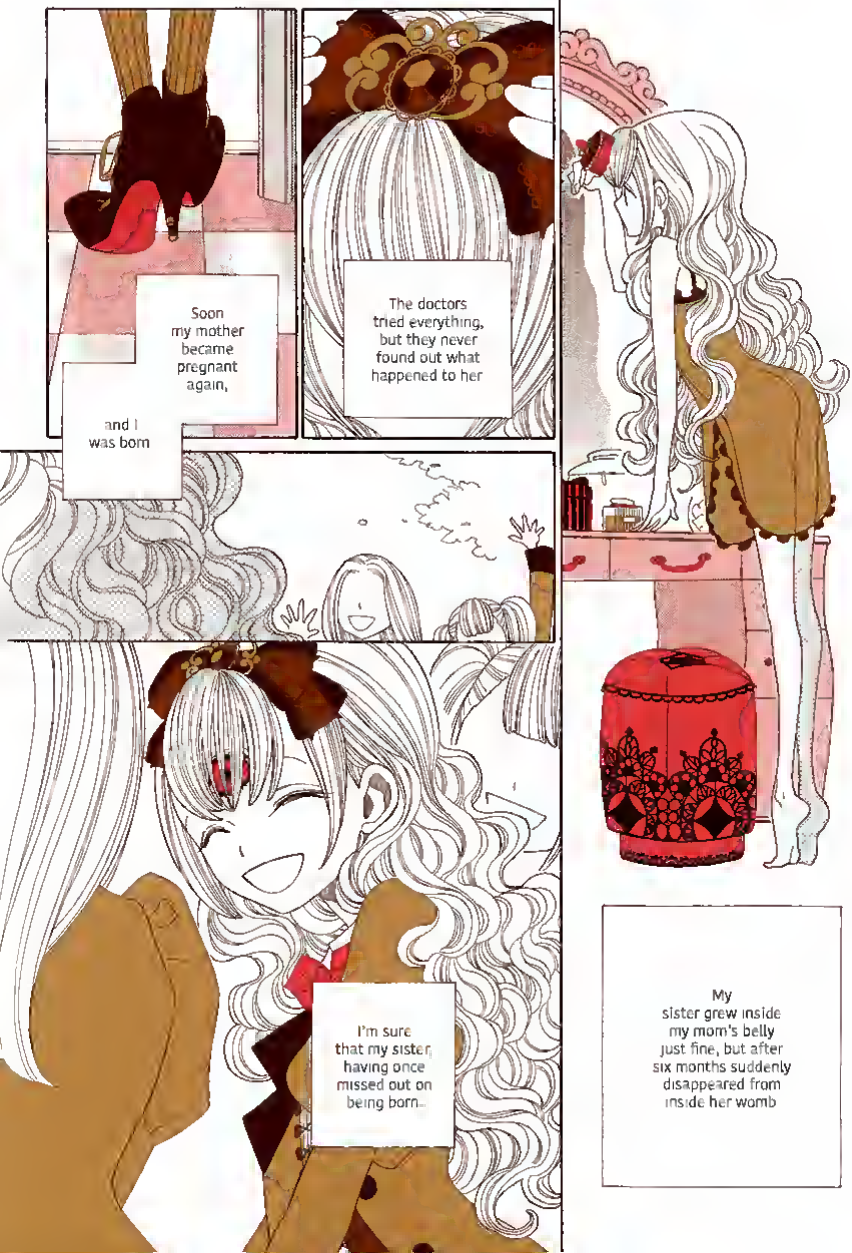
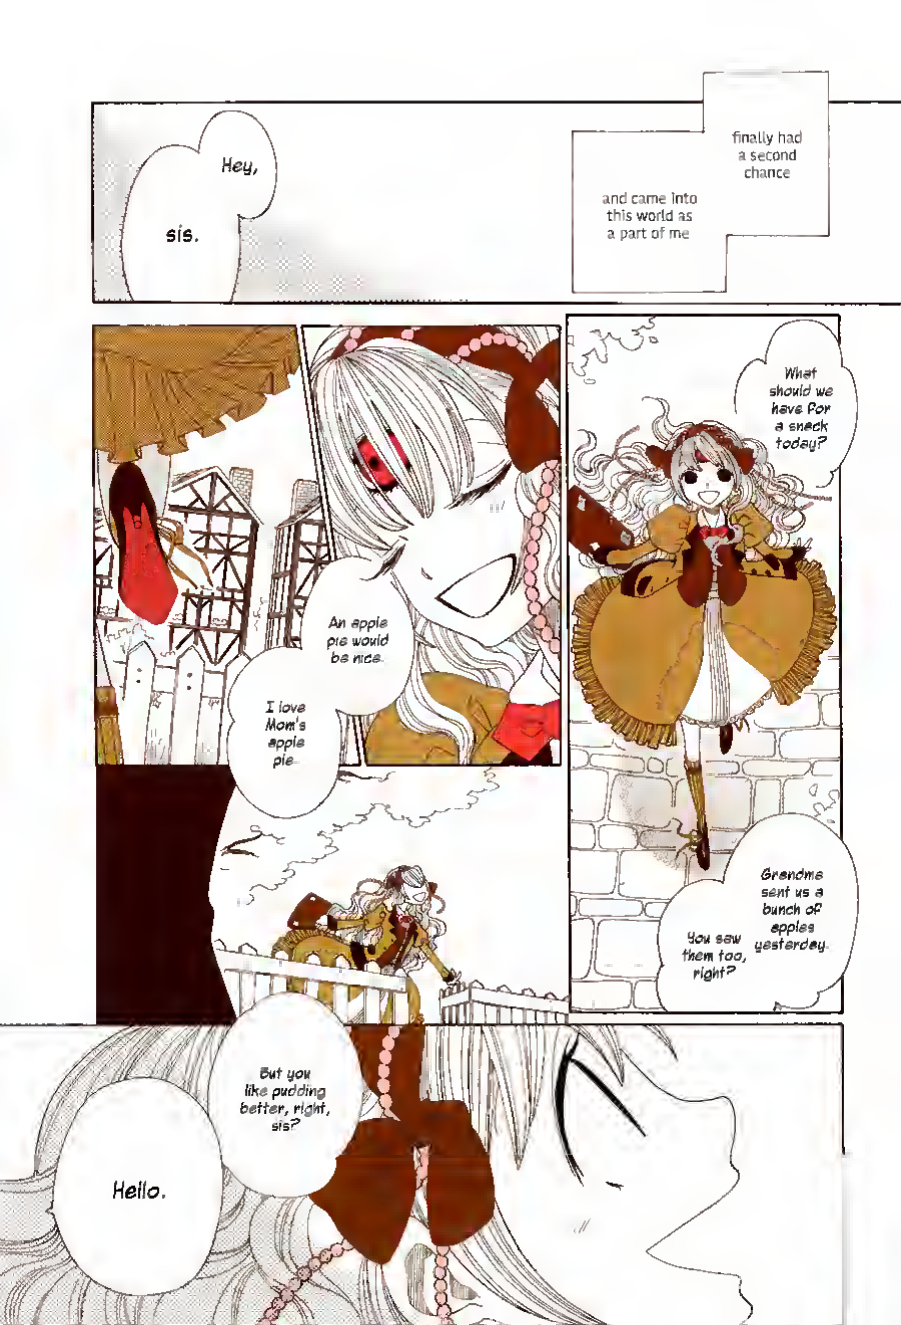
Hello, my sister



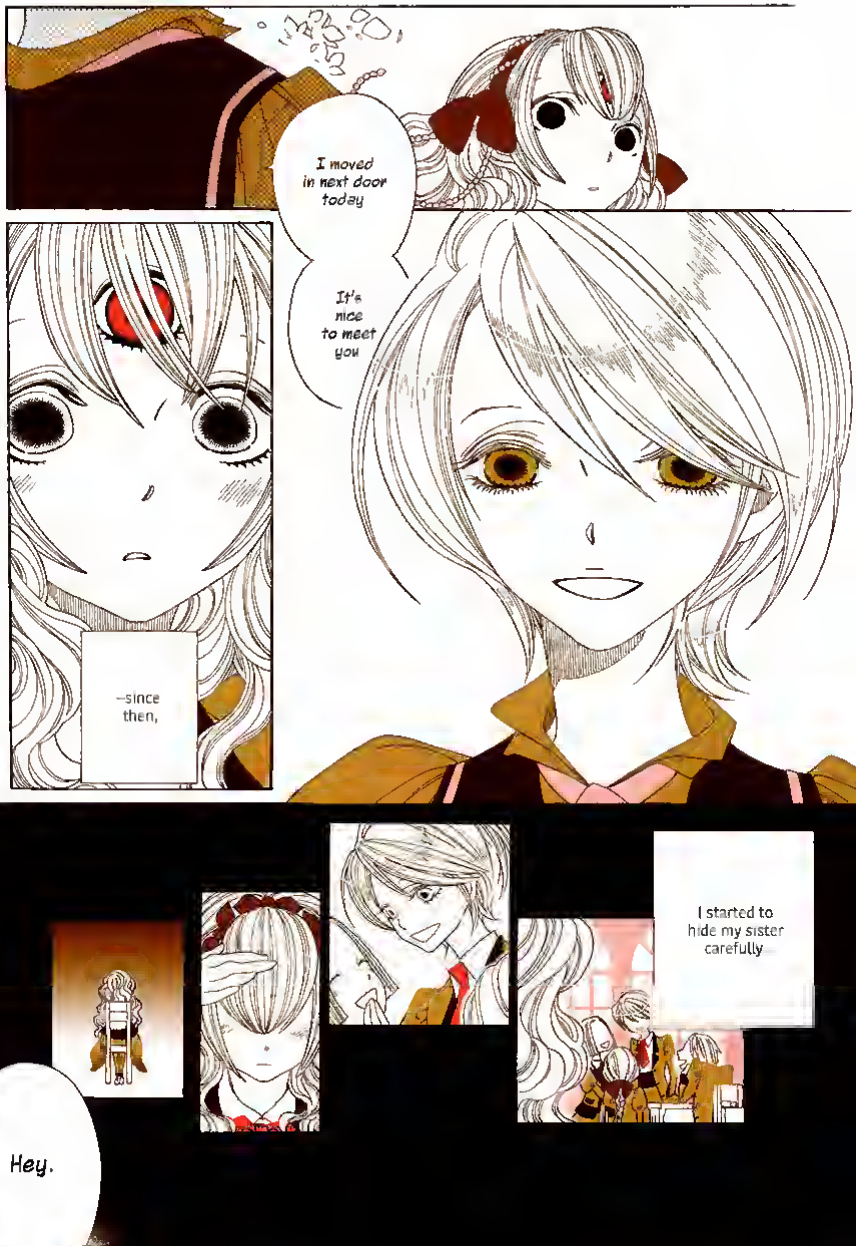
"You should have had a big sister"
That
is what my mother always told me
So,
that day when my transformation appeared, it didn't feel all that strange



Soon my mother became pregnant again,
and I was born
The doctors tried everything, but they never found out what happened to her
My sister grew inside my mom's belly just fine, but after six months suddenly disappeared from inside her womb
I'm sure that my sister, having once missed out on being born-

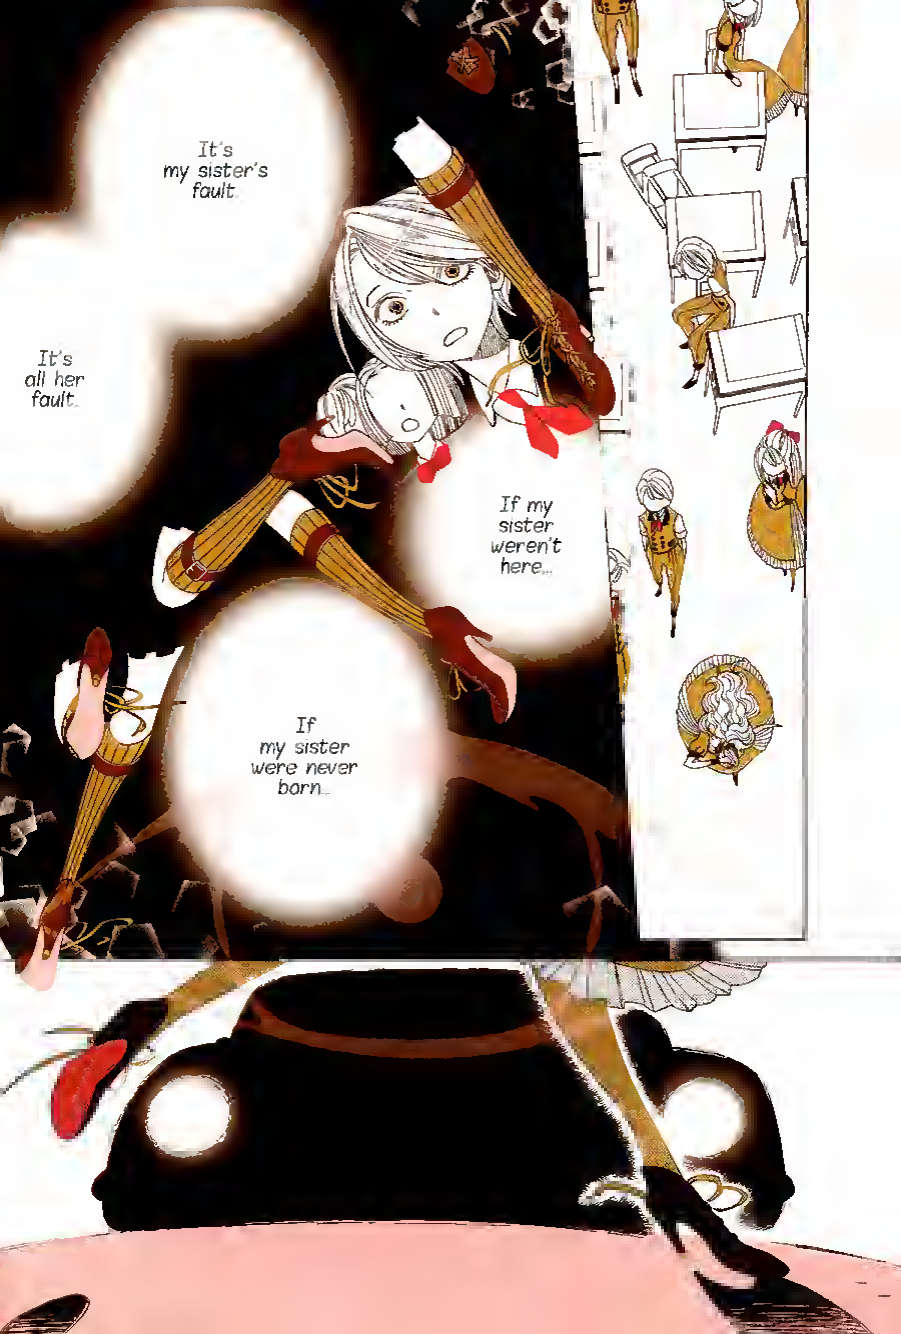


Hey,
sis.
finally had a second chance
and came into this world as a part of me
What should we have for a snack today?
Grandma sent us a bunch of apples yesterday.
You saw them too, right?
An apple pie would be nice.
I love Mom's apple pie.
But you like pudding better, right, sis?
Hello.



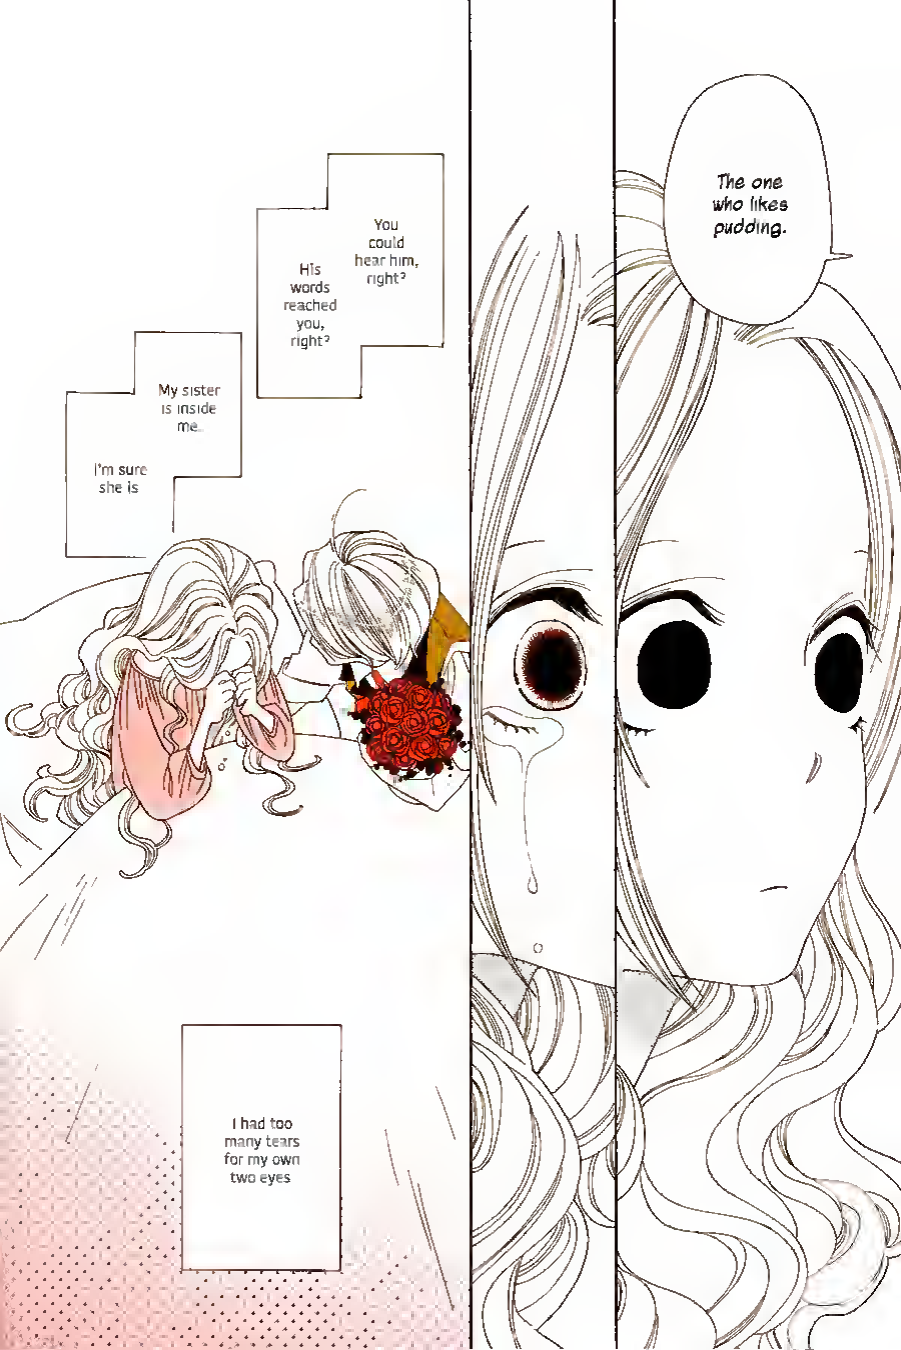
I moved in next door today
It's nice to meet you
–since then,
I started to hide my sister carefully
Hey.

So, what did you wind up having for a snack?
Huh
Remember?
That day I bumped into you,
you were between apple pie and pudding
Later that day I pestered my mom
for apple pie too
hahaha
—how about
you try parting your bangs ?
Don't touch me!



It's my sister's fault...
It's all her fault...
If my sister weren't here...
If my sister were never born...

When I came to,
I was in the hospital.
You were asleep for three days
But to not have a scratch on you after that accident—
the doctor said it's a miracle
I—
My sister was gone
had a sister.
I came to see you
—I know



The one who likes pudding.
You could hear him, right?
His words reached you, right?
My sister is inside me.
I'm sure she is
I had too many tears for my own two eyes
